
BEAUTIFUL STONES

WORKSHOP

In this workshop the attendees will design and make a 30" x 30" quilt top, learning different techniques to piece curves and concentric circles. During the class we will explore different compositions, color combinations and shapes. The attendees will learn how to cut fabrics with complex shapes and how to sew these curved shapes by machine.

MATERIALS NEEDED

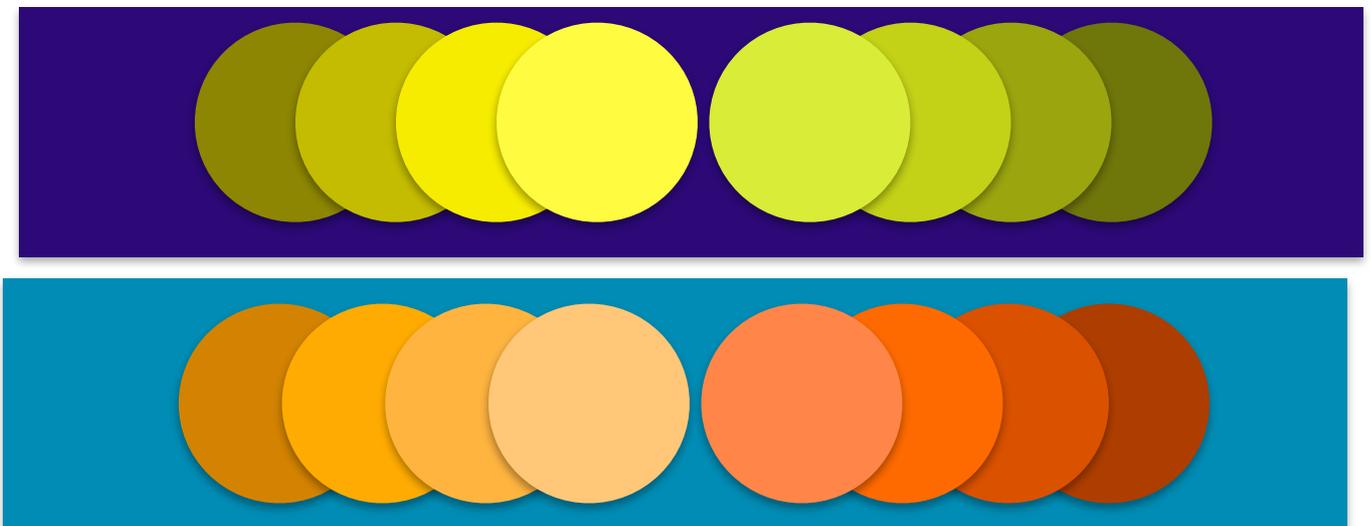

- 35" x 35" piece of fabric (it will be your background)
- Hue A : Four different values, 1FQ per value
- Hue B : Four different values, 1FQ per value
